PROFESSIONAL SUMMARY

Computer Science & Engineering student with an **8.04/10 CGPA** and focused interests in **cybersecurity, digital forensics, network security, and vulnerability assessment**. Hands-on experience with **Kali Linux and Python**, including development of a Python-based website vulnerability scanner. Completed training in digital forensics, ethical hacking, network security, and endpoint security, with additional experience in AI-based application development.

EDUCATION

B.Tech — Computer Science & Engineering

Seth Vishambhar Nath Institute of Engineering & Technology (SVNIET), AKTU

CGPA: 8.04/10 | Up to 4th Semester | Expected 2028

Class XII — M.B. College, Barabanki | 2024

Class X — M.B. College, Barabanki | 2022

TECHNICAL SKILLS

Cybersecurity: Digital Forensics • Network Security • Endpoint Security • Ethical Hacking • Vulnerability Assessment • Kali Linux • Kali NetHunter • Tor & Anonymity Fundamentals

Programming: Python • C • HTML • MySQL

AI & Development: Generative AI • Prompt Engineering • AI-assisted Development

Systems: Windows • Linux

PROJECTS

Website Vulnerability Scanner | Python — In Progress

- Developing a Python-based security assessment tool for scanning **authorized HTTP/HTTPS websites** for potential vulnerabilities.
- Implementing automated security checks to strengthen practical understanding of web security and vulnerability assessment.

SehatSaathi — AI-Enabled Healthcare Application | Smart India Hackathon

- Contributed to AI-assisted application development, UI/UX and deployment.
- **Live Demo:** sehatsaathii.netlify.app

RudraX — AI Home Assistant | In Progress

- Developing an AI-powered assistant for information retrieval, voice interaction, automation and productivity.

CYBERSECURITY ACTIVITY

Cybersecurity Awareness Presentation — HCL Foundation

- Delivered a team presentation, **“Are We Really Safe: Online,”** covering phishing, social engineering, data privacy, cyber threats and preventive measures.

- Collaborated with team members in researching and presenting cybersecurity awareness topics.

CERTIFICATIONS

Cybersecurity & Digital Forensics

- **Network Security Engineer** — Skill India Digital Hub / NASSCOM
- **Analyst Endpoint Security** — Skill India Digital Hub / NASSCOM
- **Digital Forensics Essentials** — Indian Cyber Club (ICC)
- **Ethical Hacking Essentials** — EC-Council
- **Dark Web, Anonymity & Cryptocurrency** — EC-Council
- **Network Security** — Great Learning Academy
- **Ethical Hacking Megamind Workshop** — Nikistian Media Pvt. Ltd.

AI & Industry

- **ViCoDathon 2026** — AB TALKS | Certificate of Participation
- **AI Orientation Session** — HCL GUVI Centre, Lucknow | Certificate of Participation
- **Generative AI Workshop** — MAAC Academy
- **ChatGPT & AI Masterclass** — Nikistian Media Pvt. Ltd.
- **Logic Building for AI** — Tinkerly

ADDITIONAL

Languages: English • Hindi

Interests: Cybersecurity • Digital Forensics • Network Security • AI & Cybersecurity

Soft Skills: Analytical Thinking • Problem Solving • Communication • Teamwork • Adaptability
